Punjabi University, Patiala B.Voc. Food Processing
PART I (Semester I & II) PART II (Semester III & IV) PART III (Semester V & VI)

2019-20,
2020-21,
2021-22

(i)	Attendance: The students with 85%-100% attendance will be given full attendance marks. Whereas students with 80%-84.9% attendance shall be given 80% marks of attendance and students with 75%-80% shall get 60% of attendance marks.	20%	% of the Total Marks of the internal Assessment
(ii)	Written Assignment/Project :	40%	
(iii)	Two Mid-Semester Tests/Internal Examination (Average of both Mid-Semester Tests/Internal Examination)	40%	

In each Theory Paper 25% of the total marks are assigned to the Internal assessment and 75 marks to the University examination.

Paper: - FDPB 2102T

[Maximum Marks:74]

[Time Allowed: 3 Hour]

Note: - The candidates are required to attempt any two questions each from Section A and B carrying 11 marks each and entire Section C consisting of 15 short answer type questions carrying 2 marks each

SECTION-A

1. Explain the structure & composition of Maize. Discuss the different varieties and products of maize.
2. Describe following with respect to wheat milling:
 - i. Milling Preconditioning
 - ii. Cleaning
 - iii. Washing and Drying
3. Discuss in detail the dry & wet process of milling of corn.
4. Draw operational flow chart of domestic and commercial atta chakkies.

SECTION-B

5. Explain the principle and working of mini oil expeller and Destoner.
6. Explain the working of hummer mill and groundnut decorticator.
7. What are the pre-treatments given to the pulses before milling? Write down their significance.
8. Explain dal milling in detail along with flow chart.

SECTION-C

9. Short answer type questions (All questions are compulsory)
 - a. Destoner
 - b. Conditioning
 - c. Name any five pulses
 - d. Flint corn
 - e. Flour adulteration
 - f. Storage of Flour
 - g. Roller flour mill
 - h. Break Rolls
 - i. Micro pulverizer
 - j. Reduction System
 - k. Milling
 - l. Dehusking
 - m. Various wheat products
 - n. Pulses Suitable for milling
 - o. Botanical name of wheat

[Maximum Marks: 74]

[Time Allowed: 3 Hour]

Note: - The candidates are required to attempt any two questions each from Section A and B carrying 11 marks each and entire Section C consisting of 15 short answer type questions carrying 2 marks each

SECTION-A

1. Explain the structure & composition of wheat.
2. Describe following terms:
 - i. Rice Bran oil
 - ii. Improvers used in flour
3. Discuss in detail wheat flour milling.
4. Explain the preparation and milling of paddy

SECTION-B

5. Define pulses and discuss chemical composition of mash, gram beans, moong.
6. Explain the working of machinery and equipments employed in milling industry.
7. Discuss different processing of legumes
 - a) Sun drying and pre-cleaning
 - b) Dehusking and splitting
8. Explain pulses flour products and their applications.

SECTION-C

9. Short answer type questions(All questions are compulsory)
 - a. Grinding of split pulses
 - b. Conditioning
 - c. Name any five cereal grains
 - d. Parboiling
 - e. Merits of traditional milling
 - f. Explain Pretreatments given to pulses
 - g. Milling system
 - h. Equipments used in wheat flour milling
 - i. Milling
 - j. Composition of pulses
 - k. Various legume products

Subject: - Fundamentals of Food Biochemistry

[Time: Three Hours]

[Maximum Marks: 74]

Note: - The candidates are required to attempt any two questions each from Section A and B carrying 11 marks each and entire Section C consisting of 15 short answer type questions carrying 2 marks each

SECTION—A

1. Explain important changes taking place in carbohydrates during browning.
2. What are proteins? Outline important sources of proteins. How do different factors determine texture of protein?
3. What are the applications of enzymes in a food industry? Give example.
4. Explain different factors determining enzyme activity. Also discuss enzyme kinetics.

SECTION -B

5. What is lipid peroxidation? Compare enzymatic and non- enzymatic lipid peroxidation.
6. Explain antioxidants in food and its type and applications
7. Explain properties and applications of (a) Anthocyanins and (b) Tannins.
8. Outline important flavor enhancers. Discuss biochemistry and applications of monosodium glutamate and maltol

SECTION –C

9. Short answer type questions (All questions are compulsory)
 - 1 What is flavor enhancers
 - 2 Enzyme kinetics
 - 3 Carotenoids
 - 4 Explain mechanism of browning in food
 - 5 Define enzymes classification
 - 6 Discuss carbohydrates
 - 7 Significance of natural pigments
 - 8 Define sources of carbohydrates and enzymes
 - 9 Difference between enzymatic and non-enzymatic browning
 - 10 Monosodium glutamate
 - 11 Flavonoids ,
 - 12 Factors affecting browning
 - 13 Millard reaction
 - 14 Texurisation
 - 15 Chlorophyll

SECTION -A

1. Why refining Sugar is done? Explain the steps involved in refining of Sugar.
2. What is Invert Sugar and explain characteristics? What is Black strap molasses and explain its uses.
3. Explain the following steps of manufacturing Sugar in detail:
(a) Extraction of Juice (b) Evaporation (c) Purification of juice
4. What are the properties of Granulated sucrose? Draw flowchart manufacture of Granulated Sugar and Liquid Sugar.

SECTION -B

5. What are high boiled sweets? Explain the ingredients and method of manufacturing of lollipop.
6. How toffee and chewing gum is manufactured.
7. Write a note on manufacturing process of the following:
(a) Lozenges (b) Fudge
8. Explain in detail about manufacturing process of chocolate.

SECTION -C

9. Write short notes on the following: (All questions are compulsory)
 - a) Molasses
 - b) Baggasse
 - c) Enrobing
 - d) Panning
 - e) Conching
 - f) Caramelization
 - g) Lollipops
 - h) Jellies
 - i) Aerated products

SECTION-A

1. How is documentation for raw materials to finished products done in food industry?
2. How are raw materials inspected in food industries? Elaborate the concept of FIFO- First in, first out for raw materials.
3. Draw a process flow chart for milk plant, starting from receiving of raw materials to storage and dispatch of finished products.
4. Write down the application of computer in fruit and vegetable industry.

SECTION-B

5. Describe implementation of ERP and its application in food industry.
6. Give the various reasons required for inspection of raw materials in a food industry. What are the tools required for the inspection?
7. Describe label details on finished food products.
8. Give brief introduction of ERP. What are the essentials guidelines of ERP in food processing industries?

SECTION-C

9. Short note on following terms(All questions are compulsory)
 - a) Documentation
 - b) ERP
 - c) Process Flow chart for fruit and vegetable industry
 - d) Batch number
 - e) Computer application in food industry
 - f) Standard Deviation
 - g) Mean

FACULTY OF LANGUAGES
PUNJABI UNIVERSITY, PATIALA

(Signature)

(Established Under Punjab Act No. 35 of 1961)

ORDINANCES

MASTER OF ARTS FACULTY OF LANGUAGES (M.A.)

Applicability of Ordinances for the time being in force

Notwithstanding the integrated nature of a course spread over more than one academic year, the Ordinances in force at the time a student joins a course shall hold good only for the examination held during or at the end of the academic year. Nothing in these ordinances shall be deemed to debar the University from amending the ordinances subsequently and the amended ordinances, if any, shall apply to all the students whether old or new.

1. The M.A. course shall be spread over two academic years consisting of four semesters- I to IV. This Programme has been designed as per Choice Based Credit System (CBCS) introduced by the UGC.
2. The following shall be the subjects out of which a candidate can offer one or such other subjects as approved by the University:
English, Punjabi, Hindi, Urdu, Persian, Sanskrit, Anthropological Linguistics and Punjabi Language.
3. Admission to the M.A. Part-I in the above subjects shall be given to a candidate on merit based on marks obtained in B.A./B.A. (Hons.). Preference will be given to a candidate who has passed B.A. with the concerned subject as an elective. Minimum eligibility is 50% marks (45% for SC/ST candidates) in aggregate in B.A. examination.
4. The end-semester examination for I and III semesters i.e., odd semesters shall be held in the month of November/December and for the II and IV semesters i.e., even semester in the month of May/June or on other dates as may be decided by Punjabi University.
5. The outlines of course scheme, syllabi and credits for a paper/subject shall be prescribed by the University from time to time.
6. The candidate shall be required to submit duly completed admission and examination forms along with applicable fee as per prescribed norms within the stipulated specified period in each of the semesters to the Punjabi University / concerned Department.
7. (i) The medium of instruction / examination for subjects in the Faculty of Languages shall be the language concerned and for other subjects English or Punjabi.
(ii) Provided that candidates for M.A. Sanskrit and M.A. Persian examination shall be permitted at their option to offer medium of examination as under:

M.A. Sanskrit	Sanskrit or Hindi or Punjabi
M.A. Persian	Persian or Urdu or Punjabi
8. The M.A. course shall consist of 80 credits (in case of M.A. in Punjabi -100 credits). Further details of teaching hours, marks and credits allocated to each course shall be given in the respective Syllabi.

9. Broadly, the structure of the said M.A. Programme shall be as given below:

- A. **Core Courses:** A course, which should be studied compulsorily by a candidate as a necessary requirement is termed as a Core course.
- B. **Discipline Specific Elective (DSE) Courses:** Elective courses offered under the main discipline / subject of study shall be referred to as Discipline Specific Elective.
- C. **Open Elective (OE) Courses:** Open Elective courses offered under the unrelated discipline/subject to seek exposure beyond main discipline of choice shall be referred to as Open Elective courses.

NOTE: The candidate will be allowed to opt for Massive Open Online Courses (MOOC) in lieu of open elective courses only. MOOC courses are available on SWAYAM platform of Government of India, shall be offered through online mode. The subjects which the students can opt from MOOC's will be notified by the department semester-wise from time to time.

D. Compulsory Qualifying Paper (CQP) – Not Applicable to M.A. in Punjabi

There will be one CQP to be designed and approved by BOS of the concerned department. The syllabus for this paper will correspond to relevant topics of the concerned subject to be taught in Punjabi by the faculty of the department of Physics. Alternatively, a relevant course from MOOC with medium of instruction / examination as Punjabi can be opted as CQP by a student with prior permission of the Head of Department. The students who have qualified Punjabi at Matriculation level / higher level will study this paper.

However, students from Punjab / Other states who have not studied / qualified Punjabi at any level shall study Mudra Gayan paper to be offered by the Department of Punjabi.

9. Evaluation criteria in theory papers, Grading Definitions, passing criteria, Detainee criteria and Improvement conditions will be as per the details given below:

9.1 Evaluation criteria

A. Theory papers (Core paper / DSE / OE)

There shall be internal evaluation component with a weightage of 30% of the total allocated marks for that paper (Core paper / DSE / OE). This evaluation will be based on the mid semester test (MST) (weightage ~50% of total allocated marks for internal evaluation) and continuous evaluation through class assignments/seminars/presentations etc. (weightage ~35% of total allocated marks for internal evaluation) and attendance (weightage ~15% of total allocated marks for internal evaluation) in each subject.

The question paper for MST (1 hour duration) will consist of long and short-answer questions.

A special MST in a given subject will be conducted during last week of the semester by the subject teacher / Committee for students who failed to appear in scheduled MST because of some genuine reason (such as illness, appearance in SSB interview, participation in university event etc.).

The end-semester examination for theory papers shall carry a weightage of 70% of the total allocated marks for that paper and will be of 3 hours duration. The question paper will consist of three sections, namely, Section A, B and C. Section A and B will have four

questions each from the respective sections of the syllabus. Each question will carry equal marks (12 marks each) and may consist of sub-parts. A student will be required to attempt two questions from each of the section A and B. The section C will be compulsory with 11 short-answer type questions covering the entire syllabus (2 marks each).

In the theory papers, the subject teacher will display the answer sheets and the marks secured by a student in the mid semester test (MST) along with all breakup details of total internal evaluation at the end of the semester.

The end-semester examination will be conducted by the Examination branch of the Punjabi University. After getting the theory paper checked, a list of total marks (including Internal and External Marks) will be prepared and letter grades will be awarded by the Examination branch of Punjabi University.

The students will be declared "Pass" in a theory paper if he/she secures a minimum of 40% marks in the internal evaluation and the end semester examination jointly. If a student fails to secure minimum prescribed 40% marks, then result of such a paper will be declared as "Fail".

9.2 The grace marks shall be allowed to the student as per general ordinances of Punjabi University, Patiala relating to 'Award of Grace Marks'.

9.3 The examination branch of Punjabi University, Patiala will award one of the Letter Grades and corresponding Grade Points to each student in each paper, as per the range of marks obtained specified in the first column of the table given below:

Marks Obtained (Out of 100)	Letter Grade	Performance	Grade Point
91-100	O	Outstanding	10
81-90	A+	Excellent	9
71-80	A	Very Good	8
61-70	B+	Good	7
51-60	B	Above Average	6
41-50	C	Average	5
40	P	Fair	4
Less than 40	F	Fail	0
Detained	D	Detained	0

Here, each letter grade indicates the level of performance of a student in a paper and has a grade point for the purpose of computing the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA).

SGPA is the weighted average of all the grades awarded to a student in a given semester and computed as follows:

Where C_i denotes credits assigned to the i^{th} paper and G_i indicates the grade point equivalent to the letter grade obtained by the student in the i^{th} paper in a particular semester.

CGPA is the weighted average of all the grades awarded to a student since his/her entry into the University up to and including the latest semester and computed as follows:

[Handwritten signature]

Where C_i denotes credits assigned to the ith paper and G_i indicates the grade point equivalent to the letter grade obtained by the student in the ith paper in that semester.

10. A student pursuing the M.A. course shall be required to earn at least 50% credits at the end of each year (odd and even semester taken together) of the program. In case he / she earns less than 50% credits in a given year (odd and even semester taken together) of the program, the student will be declared as having failed in that year and will have to seek readmission to the ODD semester of that specific year.

Additionally, the following conditions must also be met:

- i. Has been on the rolls of the department throughout the semester preceding the examination.
- ii. Has attained the required 75% of attendance of the delivered number of periods in each paper/subject. Period of one hour duration shall be counted as one attendance.
- iii. For late admission, the counting of lectures will be considered from the date of deposit of fees.
- iv. In case of a student, whose name has been struck off on account of non-payment of fees, their periods for the time they were not on the rolls, shall not be accounted for the completion of the total period of degree.
- v. The shortage of attendance of lectures by the candidate may be condoned as per rules framed by the University from time to time.

11. A maximum of three consecutive or successive chances will be given to students with "F" or "D" grades in specific subjects/papers to "PASS" in these papers. However, there will be no bar on the number of such papers in which the candidate can appear in a given semester. Such students will be required to deposit the requisite fee as notified by University from time to time for theory paper(s) and submit the examination form within stipulated period. During the tenure of the M.A., the reappear examination of odd or even Semester Subjects shall be offered only in odd or even semesters respectively. However, the students of 4th Semester (Final Year of M.A.) will be allowed to clear backlogs pertaining to any of the previous semesters as per Punjabi University norms.

12. A student with "F" grade will have to appear in END SEM Exam (Theory) as stipulated at clause 9.1 and his marks in internals (weightage of 30% of total marks) secured earlier, when he/she attended the classes of that course / subject on regular basis, will be carried forward.

A student with "D" grade will have to appear in END SEM Exam (Theory) paper as stipulated at 9.1. In addition to this such a student has to appear for Internal exam also. For Internal exam (Theory) the student will have to submit a written application to the Head of department, who in turn will arrange to conduct the internal examination within the semester. In this case the question paper / internal exam will be of maximum weightage of 30% of total marks and 2 hours duration to be set from Section A of the syllabus. Pattern of question paper will be same as that for the End semester exam.

13. After the End-semester examination and completion of the evaluation process, the subject teacher for the paper shall submit the award lists through the Head of the Department to the Controller of Examinations.

The final/external exam for the papers will be conducted by examination branch of Punjabi University, Patiala and the University shall publish the result of the candidates after compilation of all total marks and the letter grades will be awarded to the students based on marks obtained by them out of 100 (as per clause 9.3).

28/03/23

At the end of every semester, each candidate shall receive a result card/certificate indicating the Grades scored in different subjects along with the Semester Grade Point Average (SGPA) and the Cumulative Grade Point Average (CGPA). Successful candidates at the end of the X Semester shall receive a degree stating the division as per the clause 14 given below.

14. Definition of Division of M.A. Degree

- (a) Successful candidates who obtain a CGPA of 6 or more of all the four semesters taken together shall be placed in First Division, those who obtain a CGPA of 5 or more but less than 6 shall be placed in Second Division. Candidates who obtain a CGPA of 7.5 or more shall be placed in the First Division with Distinction.
- (b) To convert CGPA into percentage of marks, a multiplying factor of 10 (Ten) shall be used. That is, 'Percentage of marks = CGPA x 10. (For example, a CGPA of 7.5 shall be equal to $7.5 \times 10 = 75\%$).

15. The maximum time allowed to complete the requirements for the award of M.A. degree shall be four Years.

16. Improvement of Grades

The students, who have completed their M.A. degree, will be given chances to improve the overall percentage as per the following conditions:

- I. A candidate can apply to improve his/her grades in maximum of 50% of the total number of theory papers studied in the M.A. course. These papers can be taken from any of the four semesters in which he/she had scored B and C grades only. Improvement in subjects with grades B+ or higher will not be allowed.

The student will be given only one chance for improvement in each selected paper in the immediate two years after passing the M.A. course. This chance will be offered during the end-semester examination schedule of November /December and May/June only.

Further, candidate has to select papers from odd Semester while availing an improvement chance in odd Semester and has to select papers from even Semester while availing an improvement chance in even semester.

- II The improvement fee will be charged as per university norms notified from time to time.

- III A ceiling clause on grades will applicable defined as "The candidate can score maximum B+ grade in any of the improvement paper".
