**Celebration of National Science Day-2024 in Punjab**

**Theme NSD-2024: Indigenous Technologies for Viksit Bharat**

Event Catalyzed & Supported by:  
Punjab State Council for Science & Technology (PSCST) & National Council for Science & Technology Communication (NCTSC)  
Department of Science & Technology (DST), Govt. of India

Organized By:  
Department of Science,  
Guru Nanak College Budhlada

### Invitation

The Organising committee invites students of Undergraduate and Postgraduate of Guru Nanak College, Budhlada to participate in this event to be held on February 27-28, 2024. The event shall include Poster, models, Plant utilization exhibitions, Handcraft (making pots, bags, decorative items using waste materials), Declaration, Debate, Quiz competitions, Hands on Scientific Experiments, Documentary on The Elephant Whisperer, Science with Fun (Games), working models and projects presentations.

### About National Science Day (NSD)

Department of Science at Guru Nanak College, Budhlada is celebrating National Science Day 2024 (NSD) on the theme "Indigenous Technologies For Viksit Bharat" being sponsored by Punjab State Council of Science & Technology. Celebrating NSD aim is to discuss all issues and implement new technologies for the development in field of science, encourage youth to develop interest and understand the importance of science and technology, platform for discussing the benefits and skill of students and enable students to enjoy science concepts and to engage them on scientific issues.

### About Institution

Guru Nanak College (NAAC Accredited 'A++' Grade) affiliated to Punjabi University, Patiala (founded in 1956) & 207 sections of UGC Act 1956 is situated on the outskirts of Budhlada city - a small town of district Mansa in Punjab. To tribute the 500th birth anniversary of '5th Guru Nanak Dev Ji', it was started in 1971 by some eminent personalities of the region to kindle the noble cause of making affordable education accessible to all the people of this backward, rural and remote area. At present, it has become the foremost organisation in the area, having 16 PG and 12 UG courses (including 03 skill-development-vocational and industry oriented courses).

### About Science Department

Our department of Science is at the forefront of scientific exploration, conducting ground breaking research in diverse fields of Chemistry, Physics, Zoology and Botany at Guru Nanak College Budhlada. Some highlights of department strength are:

- Dynamic, updated academic programs in BSc (Medical and Non Medical), MSc in Chemistry and Physics under Curriculum of Punjab University Patiala.
- Renowned PhD and NET qualify faculty fostering excellence.
- State-of-the-art labs for hands-on learning sponsored by Department of Biotechnology (DBT).
- Interdisciplinary approach for holistic understanding amongst the students.
- Strong industry tie ups and MoU's for practical experience, field and industrial visits, field projects.
- Abundant research opportunities for critical thinking of students.
- Global perspective through collaborations with the institutions of National Importance.
- Support services for academic and personality growth of the students.
- Emphasis on diversity, creating an inclusive community.

The Department of Computer Science organized a seminar on “World Heritage Day” on 18 April 2024. The day highlights the significance of preserving historical and cultural heritage for future generations. It also aims to encourage people to take part in preserving the natural and cultural diversity of the world.

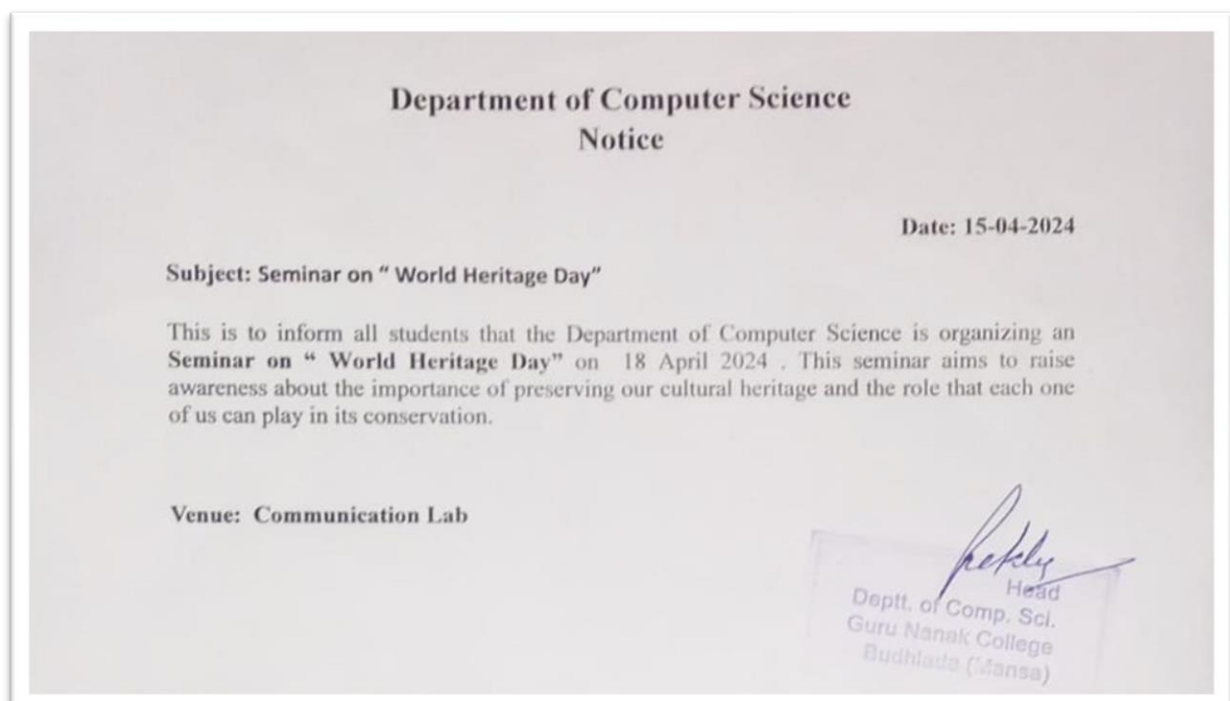

The poster features the college logo and NAAC Grade A++ Accredited College status at the top. The main title "Seminar on World Heritage Day" is written in a mix of cursive and bold fonts. Below the title, the venue "Communication lab" and date "18-4-2024" are listed. A central image shows a large stone building with four smaller inset images of various historical sites. The bottom section is a teal banner with the text "Organised By : Computer Science Department" and a decorative pattern.

## Department of Computer Science Notice

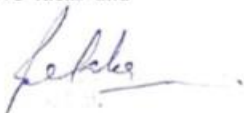

Date: 22-11-2023

**Subject: Speech Competition on "Gender Equality"**

This is to inform all students that the Department of Computer Science is organizing a Speech competition on "Gender Equality" on 25th November 2023. The event is an excellent opportunity for students to express their views on the importance of gender equality and its role in creating a fair and inclusive society.

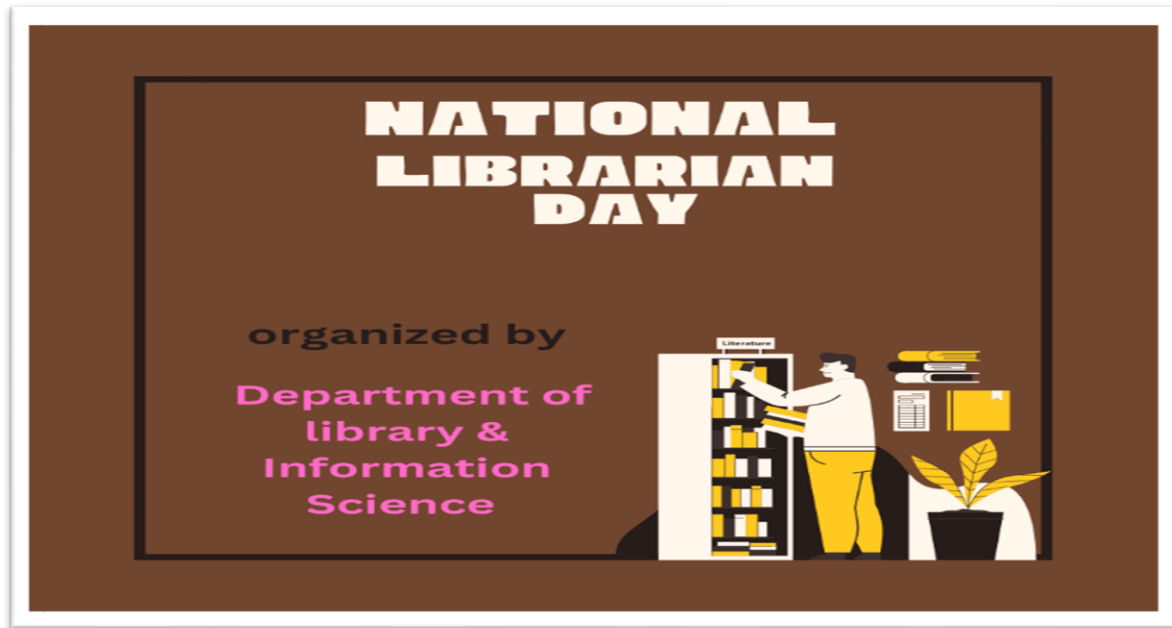

**Venue: Lab 2**

- Interested students should register their names with AP Gurdeep Kaur.
- Participants are encouraged to prepare speeches focusing on innovative ideas and real-world examples related to gender equality.

AP GURDEEP KAUR

The Department of Library and Information Science organized a special lecture on National Librarians' Day. It was conducted on August 12th to honor the invaluable contributions of librarians in the field of education, knowledge sharing, and information dissemination. The resource person was Dr. Harvinderjit Singh, Assistant Professor & Head, Department of Library & Information Science. The date marks the birth anniversary of Dr. S.R. Ranganathan, a renowned Indian mathematician and library scientist, who is often referred to as the Father of Library Science in India. The observance of National Librarians' Day serves to recognize the critical role librarians play in facilitating access to information and promoting literacy.

On 14/2/2024, Basant Panchami was celebrated by Department of Fashion and Home Science. Basant Panchami, also known as Saraswati Pooja, is a Hindu festival that is celebrated in colleges and educational institutions to honour the goddess of knowledge, wisdom, and arts.
